2015 Iris Purchase Program order form

This year the Canadian Iris Society (CIS) again offers a selection of special high quality iris plants for your growing pleasure. This program helps support the activity and function of the CIS and its registered affiliates, a further plus is that you get yourself some very nice flowers at the same time too!

Please take note that the CIS Purchase Program is reserved for current CIS members only. (if not a CIS member; see the note below on how you can still participate by joining at the same time as you order)

Here is how it works: Choose your special new irises from our 2015 listing, reserve them by prepaying for them now and then at the correct planting time later in the summer we ship them directly to your home. When your order is received the available plants are reserved for you. Order early for the best selection. All the plants are a limited supply and some of these will go fast so do not delay! With the help of our iris friends at a major commercial iris garden we have available a selection of recent iris introductions and they are at great bargain prices compared to what you would normally pay. These will be top quality rhizomes that will be shipped directly to you. The plants on offer are all American Iris Society (AIS) registered and named iris cultivars. Each will be clearly labeled and ready to pop into your garden. We will provide you with the info on the expected time of arrival once we have that information, but your delivery will likely be near the end of July.

The plants listed will be sold on a first come first served basis to CIS members. Place your order by e-mail, phone or postal mail. If a plant is sold out we will notify you by phone or e-mail so you have a chance to change your order or cancel. Payment must be received before any shipment will be made.

The sale opening /closing date: So that everyone has a fair and equal chance to review the listing and obtain the available plants, **orders will only be received from June 1, 2015 onwards. The sale will end July 4, 2015.** This will allow us to process the orders, ship them to you and therefore give you adequate time to plant the irises so that they become well established before cold weather/winter arrives. We suggest to place an order as soon as possible as the items are limited in quantity therefore your available selection will be greatly reduced as time progresses.
